at the

JADE SEA

CULTURAL TOUR TO EAST-TURKANA

**DECEMBER/
JANUARY**
28 – 04
2025/26

This tour takes you to the shores of the famous “Jade Sea“, Lake Turkana, the largest Desert Lake in the world. You will enjoy breathtaking sunsets and meet some of the 14 ethnic groups still living their traditional, nomadic lifestyle, while the El Molo, the smallest ethnic group in Africa, will introduce you to their difficult existence as fishermen. You will pass the largest Wind Project in Africa and drive through the largest Salt Desert in East Africa. And you will experience the beauty and the vastness of the renowned “Rift System“.

We guarantee you the experience of a lifetime!
